Letter of Intent

I expect a good way and technique of Education and Practical Learning and developing more of my soft skills and help to have a good understanding of theories and after graduation i intend to apply to a Master Degree.

Please explain your expectations from the higher education in Turkey and your plans for after graduation.

As i knew, Turkey has a good position in the field of Higher Education all over the world and some Universities have advanced positions in the Ranking of Universities all over the world and it has equipped labs and qualified professors.

Please indicate why you have chosen Turkey for higher education.

Aviation is my passion since I was kid and I already study Aerospace engineering ,so it was my dream to study and work in this field ,And I also believe that Energy is the future of this world and it has the ability to make this world easier .

Please indicate why you have chosen these particular departments and your knowledge about these departments.
